SUMMER 2017  
**YOUNG TENNIS CAMP**

AT UNIVERSITY OF MINNESOTA'S BASELINE TENNIS CENTER

## WELCOME

Young Tennis Camp is pleased to offer junior tennis camps for children 10-18 years of age. We offer comprehensive instruction for all ability levels, from beginning to advanced tournament players. Read on to learn more about our camps.

## SETTING

The Baseline Tennis Center, recently named as one of the Top 50 Tennis Facilities in the Nation, opened in October of 2002 and is one of the premier collegiate facilities in the country. There are 22 courts available for our camps. Twelve outdoor Plexipave hard courts are ideally situated next to 10 air-conditioned indoor courts, complete with a viewing area, player lounge, locker rooms and pro shop. Rain or shine, campers will be hitting tennis balls!

## PHILOSOPHY

The goal of our camps is simple; we want to make you a better tennis player in the time we spend with you. We incorporate technical skills and drills to increase consistency, power and game awareness. A 5:1 student/instructor ratio during all morning drilling sessions ensures every student the individual attention he or she needs. Afternoons are spent developing match strategies, constructing points and increasing mental toughness.
